

Wegamed GmbH, headquartered in Essen, is expanding.

Starting from 01.11.2009, we are offering
Independent Sales Agents (m/f)

fresh career opportunities in a growing market. Initial training will be provided at our Essen head office.

Company profile

Wegamed GmbH represents and develops diagnosis and therapy concepts that enable treatments to be successfully applied in practice without any side effects. Our diagnosis and therapy devices are distributed worldwide and continuously refined. Service and production are based in Germany. The Wegamed Academy is our research, information and education centre, where scientists and therapists work hand in hand. Users learn the methods and techniques to use our products; customers and professionals receive further training on new concepts, possible applications and uses.

You match our profile if you....

- have a sales background and are willing and able to participate in technical training
- have experience with conventional or naturopathic medicine or in fitness/wellness programming, and an entrepreneurial mindset
- are a wholesaler in the medical engineering industry and would like to include our products in your product line
- already have your own distribution structure and wish to distribute our products

We offer you:

Intensive training and induction sessions to introduce you to our company and our products. You will work closely with our office team and receive effective order processing support. In addition, you will receive technical and medical support to optimally meet special customer requests. Sales Agents (m/f) are offered a very attractive commission package.

Your application:

Write to us why you think you match our profile, preferably by sending an email to info@wegamed.de, for the attention of CEO Peter Mölloney. Or send us your documents by regular mail to: Wegamed GmbH, Peter Mölloney, Am Zehnthof 189, D-45307 Essen, Telefon 0201 185568-10. www.wegamed.de
